

# Accommodate, Encourage and **Market.**

Unprecedented times require a timely and specific response.

Marketing is a critical aspect of mitigating this unexpected downturn in your company's business. You will need to assure your customers that you are taking this seriously, while keeping your business open. This may seem difficult, when so many of your patrons are staying home.

## This is where **Impressions Printing**

would like to help you accomplish this through-

**Direct Mail**

**Digital Marketing**

**Signs and Banners**

**Social Media** and more...

*Spread your message without spreading the problem.*

In response we will offer you special pricing. We can assist your company in directly communicating with your target audience.

**Contact us today and let us help navigate your company through the uncertainty.**

**Maximize your delivery/pick-up business.**

**Encourage people to buy gift vouchers.**

**Reputation is defined during the tough times.**
